The listing of a medical school in the World Directory of Medical Schools does not denote recognition, accreditation, or endorsement by the World Directory of Medical Schools or by the partner organizations leading this venture, the World Federation for Medical Education (WFME) and the Foundation for Advancement of International Medical Education and Research (FAIMER). Similarly, the listing of a medical school in the World Directory of Medical Schools does not denote recognition, accreditation, or endorsement by any or all of the sponsors of the World Directory of Medical Schools, except where this is expressly stated either on the website of the World Directory or on the website or other literature of any sponsor.

Association of any medical school with FAIMER or WFME, whether as a member, a member of an associated network, or otherwise, is not related to the listing of the medical school in the World Directory of Medical Schools, or to the recognition, accreditation, or endorsement of the medical school.
